Hi Betsy

I apologize for my delay, I was waiting to get the signed Tolling Agreement amendment from Mr. Poxson. Yes, December 15, 2013 is an acceptable deadline for response to the General Notice and Demand letters.

Thank you

Hello Laurianne,

Per our conversation earlier this week, I have talked to Gail and Hank and we would like to request a common deadline of December 15, 2013 for responses to EPA's general notice relative to the referenced site. Please confirm this response date is acceptable to the US.

Thank you.
